Story 1:

As a busy parent, I want to be able to track all of my daily errands and check them when completed.

Story 2:

As a student, I want to be able to track homework I need to do and remove them as I am done.

Story 3:

As a young adult, I want to be able to add tasks quickly as they are needed with ease, that way I can keep up with things as they happen in case something new appears.
